WORK EXPERIENCE

Freelance Graphic Designer

January 2010 – Present

Acting as an independent consultant for different clients in multiple industries. Projects have included branding design, print design, logo design, web design, app design, video production, photography, and image editing.

Graphics Assistant at UMD University Libraries

University of Maryland, College Park, MD

August 2014 – May 2017

Working in tandem with the lead Graphic Designer to help create deliverables for print, web, and video projects for the UMD Library System. Projects involved building navigational devices, event advertisements, annual reports, and social media graphics.

Junior Designer for Maya Brin Residency Program

University of Maryland, College Park, MD

January 2015 – December 2016

Co-ordinated with UMD Communications to conceptualize and design a consistent identity for the residency program. Other duties involved working with speakers and activist to craft appropriate print and digital advertisement.
